Re: Franklin Marsh LLC Earth Removal Permit
Map 45, Lot 1-0-R Off Plymouth Street

Dear Town Clerk Doyle:

The Carver Earth Removal Committee voted to approve an earth removal permit for property off Forest Street, Assessors map 45, Lot 1-0-R subject to the following conditions:

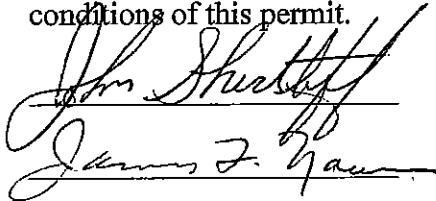

1. Removal not to exceed 410,000 cubic yards.
2. Not to exceed 50 truckloads per day May through September. 60 truckloads will be permissible between October and April.
3. Project is issued a permit for one year. The Earth Removal Committee will inspect bi-annually.
4. 100' bituminous material to put in at end of access road and maintained to minimize mud and dirt on Plymouth Street.
5. The plans submitted define the work area and limits of excavation.
6. Trucks will enter and exit at the lower end of the hill on Plymouth Street and must have lights remain on at all times during removal.
7. Sloping to be 2:1 on three sides. On the Plymouth St. side the slope will be 1.5:1 to maximize the buffer with the neighbor. All exposed side slopes to be graded and dressed with 4 inches of top soil and seeded with

Massachusetts Highway seed mix or equivalent at the rate of 50 pounds per acre.

8. Project to be completed in stages; start at the far end of the project to allow the trees to act as a buffer.
9. Hours of operation: Monday-Friday 7:00 am-4:00 pm, Saturday 8:00 am-12:00 pm. Extra caution is to be undertaken during bus stop times: 6:30 am – 8:15 am and 2:00 pm – 3:30 pm.
10. Mr. Weston will cut selected trees on the driveway of 11 Plymouth Street, Carver to enhance the homeowner's access. The buffer area to the project will be minimized by this action.
11. Dust control must be maintained. This would be up to and including sprinkler systems to mitigate the dust.
12. The Truck Rules should be distributed and followed by all trucks entering or exiting your site. (See Attached)
13. There is to be no staging of trucks on Plymouth Street.
14. Inspection fees of .10 per yard will be billed per quarter and will be paid to the Town of Carver.

This permit is predicated on approval of other Town departments, committees and boards, and the Earth Removal Committee may further amend or change conditions of this permit.

James F. Gannon

Sincerely,

Richard F. Ward
